## Overview

In his *New York Times* bestseller *Steal Like an Artist*, Austin Kleon showed readers how to unlock their creativity by "stealing" from the community of other movers and shakers. Now, in an even more forward-thinking and necessary book, he shows how to take that critical next step on a creative journey—getting known.

*Show Your Work!* is about why generosity trumps genius. It's about getting *findable*, about using the network instead of wasting time "networking." It's not self-promotion, it's self-discovery—let others into your process, then let them steal from you. Filled with illustrations, quotes, stories, and examples, *Show Your Work!* offers ten transformative rules for being open, generous, brave, productive.
